Calling all Prospective Presenters:

Awasis Conference 2010 is encouraging all teachers and support staff to apply to present at the next conference.

Awasis Conference provides a wide variety of support and education strategies to help contribute positive growth and success of all students. This year the Awasis Committee Members are contacting Bands, Band schools and Public schools asking staff members to share their success strategies and programs that they have developed or modified to share with our delegates.

As educators we are all working to better the results and success of our students. Family structure, regular attendance, graduation results, reading writing and math continue to be focal points of concerns for teachers and for Awasis.

If you know someone: a family member, a friend, a colleague or perhaps yourself would be interested or encouraged to share their valuable experiences with us, we would like to hear from you.

Please check our website www.awasis.com for a call for presenters form.

We look forward to hearing from you.

Sincerely,
Lisette Denis
Awasis President
